Cancer Rogikalk Oru Kaithang

This programme is for the poor cancer patients in our adopted village. It is like our helping hands to them. This programme was conducted in association

with palliative unit and health centre, Pallipuram. It was one of the proudest programmes for our college. More than 10 patients are supported by us in a regular manner for their medical needs. Each volunteer contributes Rs 5/- every Friday for this project. The deserving patients are listed out by the Palliative nurse and team.
